

Lark Engineering Co.

The Filter Source

Certificate of RoHS Compliance

Date:

Our suppliers have informed us that none of the materials used in the manufacture of the below identified product (s) contain more lead (Pb), mercury (Hg), cadmium (Cd), hexavalent chromium (CrVI), polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE) than allowed in the EU Directive 2002/95/EC for Restriction of Hazardous Substances (RoHS). To the best of our knowledge, the information provided to us by our suppliers is accurate and truthful.

Based on the foregoing, we certify that the materials used in the manufacture of the below identified product (s) are in compliance with EU Directive 2002/95/EC for Restriction of Hazardous Substances (RoHS).
